

Independent Auditor's Report

To the Members of Hexaware Technologies Limited

Report on the Audit of the Condensed Interim Consolidated Financial Statements

Opinion

We have audited the condensed interim consolidated financial statements of Hexaware Technologies Limited (hereinafter referred to as the “Holding Company”) and its subsidiaries (Holding Company and its subsidiaries together referred to as “the Group”) and its associate, (listed in Annexure 1), which comprise the condensed consolidated balance sheet as at 30 June 2020, and the condensed consolidated statement of profit and loss (including other comprehensive income) for the quarter and year-to-date period then ended, condensed consolidated statement of changes in equity and condensed consolidated statement of cash flows for the year-to-date period then ended, and notes to the condensed interim consolidated financial statements, including a summary of significant accounting policies (hereinafter referred to as “the condensed interim consolidated financial statements”) and other explanatory information as required by Indian Accounting Standard (“Ind AS”) 34 “Interim Financial Reporting” and other accounting principles generally accepted in India.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid condensed interim consolidated financial statements give a true and fair view in conformity with Ind AS 34 and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associate as at 30 June 2020, of its consolidated profit and other comprehensive income for the quarter and year-to-date period then ended, consolidated changes in equity and its consolidated cash flows for the year-to-date period ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013 (“Act”). Our responsibilities under those Standards are further described in the *Auditor’s Responsibilities for the Audit of the Condensed Interim Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (“ICAI”), and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Act. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management’s and Board of Director’s Responsibilities for the Condensed Interim Consolidated Financial Statements

The Holding Company’s Management and Board of Directors are responsible for the preparation and presentation of these condensed interim consolidated financial statements that give a true and fair view of the consolidated state of affairs, consolidated profit / loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group including its associate in accordance with Ind AS 34 prescribed under Section 133 of the Act and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and of its associate and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the

Independent Auditor's Report (*Continued*)

Hexaware Technologies Limited

Management's and Board of Director's Responsibilities for the Condensed Interim Consolidated Financial Statements (*Continued*)

accounting records, relevant to the preparation and presentation of the condensed interim consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the condensed interim consolidated financial statements by the Management and the Directors of the Holding Company, as aforesaid.

In preparing the condensed interim consolidated financial statements, the respective Management and Board of Directors of the companies included in the Group and of its associate are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate are responsible for overseeing the financial reporting process of the Group and of its associate.

Auditor's Responsibilities for the Audit of the Condensed Interim Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the condensed interim consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these condensed interim consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the condensed interim consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances;
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management and Board of Directors;
-
- conclude on the appropriateness of Management's and Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the condensed interim consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report.

Independent Auditor's Report (*Continued*)

Hexaware Technologies Limited

Auditor's Responsibilities for the Audit of the Condensed Interim Consolidated Financial Statements (*Continued*)

However, future events or conditions may cause the Group and its associate to cease to continue as a going concern;

- evaluate the overall presentation, structure and content of the condensed interim consolidated financial statements, including the disclosures, and whether the condensed interim consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation; and
- obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group and its associate to express an opinion on the condensed interim consolidated financial statements, of which we are the independent auditors. We are responsible for the direction, supervision and performance of the audit of financial information of such entities. For the other entities included in the condensed interim consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in para 1(a) of the section titled 'Other Matters' in this audit report.

We communicate with those charged with governance of the Holding Company and such other entities included in the condensed interim consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

1. (a) We did not audit the financial statements of sixteen subsidiaries, whose condensed interim financial statements reflect total assets (before consolidation adjustments) of Rs. 10,763.01 million as at 30 June 2020, total revenues (before consolidation adjustments) of Rs. 4,624.13 million for quarter ended 30 June 2020 and Rs 9,269.23 million for the year-to-date period ended 30 June 2020 and net cash flows (before consolidation adjustments) amounting to Rs. 1,329.05 million for the year-to-date period ended on that date, as considered in the condensed interim consolidated financial statements. These condensed interim financial statements have been audited by other auditors whose reports have been furnished to us by the Management of the Holding Company and our opinion on the condensed interim consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the audit reports of the other auditors.
- (b) The financial information of two subsidiaries, whose condensed interim financial information reflect total assets (before consolidation adjustments) of Rs. 0.06 million as at 30 June 2020, total revenues (before consolidation adjustments) of Rs Nil for the quarter ended 30 June 2020 and Rs. Nil for the year-to-date period ended 30 June 2020 and net cash flows (before consolidation adjustments) amounting to Rs. 0.00 million for the year-to-date period ended on that date, as considered in the condensed interim consolidated financial statements, have not been audited either by us or by other auditors. The condensed interim consolidated financial statements also include the Group's share of

Independent Auditor's Report (*Continued*)

Hexaware Technologies Limited

Other Matters (*Continued*)

net profit (and other comprehensive income) of Rs. 2.09 million for the quarter ended 30 June 2020 and Rs. 2.67 million for the year-to-date period ended 30 June 2020, as considered in the condensed interim consolidated financial statements, in respect of one associate, whose condensed interim financial information have not been audited by us or by other auditors. These unaudited condensed interim financial information have been furnished to us by the Board of Directors and our opinion on the condensed interim consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associate, is based solely on such unaudited condensed interim financial information. In our opinion and according to the information and explanations given to us by the Board of Directors, these condensed interim financial information are not material to the Group.

Our opinion on the condensed interim consolidated financial statements is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the condensed interim financial information certified by the Board of Directors.

- (c) Attention is drawn to the fact that the figures for the three months ended 30 June 2020, as reported in these condensed interim consolidated financial statements, are the balancing figures between audited figures in respect of the year to date figures for the six months period ended 30 June 2020 and the unaudited three months figures for the period ended 31 March 2020 which were subject to a limited review by us.

Our opinion is not modified in respect of this matter.

Hexaware Technologies Limited

Notes to the Condensed Interim Consolidated Financial Statements

as at 30 June 2020

(Rupees Million)

1 Corporate Information

Hexaware Technologies Limited ("Hexaware" or "the Holding Company") is a public limited company incorporated in India. The Holding Company together with its subsidiaries ("the Group") is engaged in information technology consulting, software and development, business process services. Hexaware provides multiple service offerings to its clients across various industries comprising travel, transportation, hospitality, logistics, banking, financial services, insurance, healthcare, manufacturing, consumer and services. The various service offerings comprise application development and management, enterprise solutions, infrastructure management, business intelligence and analytics, digital assurance (testing) and business process services

2 Significant Accounting Policies

The condensed interim consolidated financial statements have been prepared in accordance with generally accepted accounting principles in India including Ind AS 34 Interim Financial Reporting and using the same accounting policies as followed in the annual audited consolidated financial statements for the year ended on December 31, 2019 except in relation to the Leases as discussed in note 3.1 below. These condensed consolidated interim financial statements do not include all of the information required in annual financial statements and should be read in conjunction with the company's financial statements for the year ended December 31, 2019.

Hexaware Technologies Limited

Notes to the Condensed Interim Consolidated Financial Statements (*Continued*)

as at 30 June 2020

(Rupees Million)

3.1 Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

As a lessee

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components

The Company recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located.

The right-of-use assets is subsequently measured at cost less any accumulated amortisation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For leases with reasonably similar characteristics, the Company, on a lease by lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease.

The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments. The Group recognises the amount of the re-measurement of lease liability due to modification as an adjustment to the right-of-use asset and statement of profit and loss depending upon the nature of modification. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Group recognises any remaining amount of the re-measurement in statement of profit and loss.

The Group has elected not to apply the requirements of Ind AS 116 to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognized as an rent expense on a straight-line basis over the lease term

As a lessor

At the inception of the lease the Group classifies each of its leases as either an operating lease or a finance lease. The Group recognises lease payments received under operating leases as income on a straight-line basis over the lease term. In case of a finance lease, finance income is recognised over the lease term based on a pattern reflecting a constant periodic rate of return on the lessor's net investment in the lease. When the Group is an intermediate lessor it accounts for its interests in the head lease and the sub-lease separately. It assesses the lease classification of a sub-lease with reference to the right-of-use asset arising from the head lease, not with reference to the underlying asset. If a head lease is a short term lease to which the Group applies the exemption described above, then it classifies the sub-lease as an operating lease.

If an arrangement contains lease and non-lease components, the Group applies Ind AS 115 Revenue to allocate the consideration in the contract.

Hexaware Technologies Limited

Notes to the Condensed Interim Consolidated Financial Statements (*Continued*)

(Rupees Million)

3.1 Leases (*Continued*)

Transition to Ind AS 116

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified Ind AS 116 Leases which replaces the existing lease standard, Ind AS 17 leases, and other interpretations. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lease accounting model for lessees.

The Group has adopted Ind AS 116 ("the Standard"), effective annual reporting period beginning January 1, 2020 and applied the standard to its leases using modified retrospective approach, with the cumulative effect of initially applying the Standard, recognised on the date of initial application (January 1, 2020). Accordingly, the Group has not restated comparative information, instead, the cumulative effect of initially applying this Standard has been recognised as an adjustment to the opening balance of retained earnings as on January 1, 2020.

Refer note 2.5 – Significant accounting policies – Leases in the Annual report of the Company for the year ended December 31, 2019, for the policy as per Ind AS 17.

In adopting Ind AS 116, the Group has adopted following practical expedient

- The Group has applied single discount rate to a portfolio of lease with reasonably similar characteristics.
- The Group has treated the leases with lease term of less than 12 months as if they were "short term leases" and also not applied IndAS 116 to the low value assets.
- The Group has excluded the initial direct costs from measurement of right- of- use- assets at the date of transition.
- The Group has used hindsight, in determining the lease term if the contract contains options to extend or terminate the lease.
- The Group has recognized the rent concessions granted by the lessor due to the COVID-19 in the statement of profit and loss and has not considered it as lease modification.

Hexaware Technologies Limited

Notes to the Condensed Interim Consolidated Financial Statements (*Continued*)

as at 30 June 2020

(Rupees Million)

3.1 Leases (*Continued*)

On account of the aforesaid change, the Operations and other expenses is lower by Rs. 191.93 Million for the quarter ended June 30,2020 (Rs. 358.81 Million for the six month ended June 30, 2020 and Rs. 166.88 Million for the quarter ended March 31 2020), Depreciation and amortization is higher by Rs. 165.41 Million for the quarter ended June 30, 2020 (Rs. 310.41 Million for the six month ended June 30,2020 and Rs. 145.00 Million for the quarter ended March 31,2020) and Finance costs is higher by Rs. 71.85 Million for the quarter ended June 30, 2020 (Rs. 144.14 Million for the six month ended June 30,2020 and Rs. 72.30 Million for the quarter ended March 31,2020).

Further, as at January 1, 2020 a right-of-use asset of Rs 4,045.09 Million and a corresponding lease liability of Rs 3,790.39 Million has been recognized. In respect of leases that were classified as finance leases applying Ind AS 17, an net amount of Rs 251.42 Million has been reclassified from property, plant and equipment to right-of-use asset. Prepaid rent on leasehold land, which were earlier classified under Other assets have been reclassified to right-of-use assets aggregating to Rs. 518.55 Million and an amount of Rs 46.49 million in other current financial liabilities has been adjusted against right-of-use asset. The cumulative effect on transition in retained earnings is Rs. 241.71 Million (net of deferred tax of Rs.50.23 Million).

On application of Ind AS 116, the nature of expenses has changed from lease rent in previous periods to depreciation cost for the right-to-use asset, and finance cost for interest accrued on lease liability.

The difference between the future minimum lease rental commitments towards non-cancellable operating leases and finance leases reported as at December 31, 2019 compared to the lease liability as accounted as at January 1, 2020 is primarily due to inclusion of present value of the lease payments for the cancellable term of the leases, reduction due to discounting of the lease liabilities as per the requirement of Ind AS 116 and exclusion of the commitments for the leases to which the Company has chosen to apply the practical expedient as per the Standard.

The details of the right-of-use assets held by the Group is as follows:

	Office premises	Leasehold Land	Vehicle	Total
<u>COST</u>				
At January 1, 2020	3,820.56	518.55	51.44	4,390.55

(Rupees Million)

3.2 Ind AS 12 – Income taxes (amendments relating to income tax consequences of dividend and uncertainty over income tax treatments)

The amendment relating to income tax consequences of dividend clarify that an entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events.

The amendment to Appendix C of Ind AS 12 specifies that the amendment is to be applied to the determination of taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. It outlines the following: (1) the entity has to use judgement, to determine whether each tax treatment should be considered separately or whether some can be considered together. The decision should be based on the approach which provides better predictions of the resolution of the uncertainty (2) the entity is to assume that the taxation authority will have full knowledge of all relevant information while examining any amount (3) entity has to consider the probability of the relevant taxation authority accepting the tax treatment and the determination of taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates would depend upon the probability.

The above amendments were effective from the annual periods beginning January 1, 2020. The Group does not have any impact due to this amendment.

15.4 Rights, preferences and restrictions attached to equity shares

The Holding Company has one class of equity shares having a par value of Rs. 2 each. Each shareholder is eligible for one vote per share held. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing annual general meeting, except in case of interim dividend. In the event of liquidation, the equity shareholders are eligible to receive the remaining assets of the Holding Company after distribution of all liabilities, in proportion to their shareholding.

15.5 Details of shares held by shareholders holding more than 5% shares

Name of shareholder		30 June 2020	December-2019
HT Global IT Solutions Holdings Ltd. (Holding Company)	No. of shares held	186,318,590	186,318,590
	% of holding	62.34%	62.44%
HDFC Trustee Company Ltd.	No. of shares held	20,160,354	19,927,531
	% of holding	6.75%	6.68%

15.6 During the quarter ended June 30, 2020, HT Global IT Solutions Holdings Limited ("Holding Company", "Promoter"), expressed their intention to make voluntary delisting offer to acquire all fully paid-up equity shares of the Company that are held by the Company's public shareholders as defined under the Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 as amended from time to time. The Board has discussed and provided its consent to the Proposed Delisting, in accordance with Regulation 8(1)(a) of the Delisting Regulations. The public shareholders consent through postal ballot is being sought by the Company.

15.7 During the year ended December 31, 2017, the Holding Company bought back 5,694,835 shares at Rs. 240 per share aggregating Rs. 1,366.76 million by utilisation of securities premium. The cost relating to buy-back was charged to other equity.

15.8 Shares reserved for issue under options

The Holding Company has granted employee stock options under ESOP 2007 and 2008 schemes and restricted stock units (RSU's) under the ESOP 2008 and 2015 scheme. Each option/RSU entitles the holder to one equity share of Rs. 2 each. 5,283,774 options / RSU's were outstanding as on June 30, 2020 (7,824,439 as on December 31, 2019).

15.9 The dividend per share recognised as distribution to equity shareholders during the period ended June 30, 2020 was Rs. 3.00 per share (period ended June 30, 2019 Rs. 5.00 per share and year ended December 31, 2019 Rs. 8.50 per share)

	<u>11,534.33</u>	<u>-</u>	<u>-</u>	<u>98.19</u>	<u>11,632.52</u>

Carrying amount of cash and cash equivalents, other bank balances, trade receivables, unbilled revenue, loans, other financial assets, borrowings, deferred consideration, trade payables, lease liabilities and other financial liabilities approximate the fair value because of their short term nature. Difference between carrying amounts and fair values of other financial assets and liabilities subsequently measured at amortised cost is not significant in each of the period presented.

26.2 Fair value hierarchy

Fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability

26 Financial Instruments (Cont'd)

26.2 Fair value hierarchy (Continued)

The following table presents fair value hierarchy of financial assets and liabilities measured at fair value on a recurring

30 June 2020	<u>Level I</u>	<u>Level II</u>	<u>Level III</u>	<u>Total</u>
Investments in equity shares	-	-	4.58	4.58
Derivative financial assets	-	144.18	-	144.18
	-	144.18	4.58	148.76
Derivative financial liabilities	-	315.66	-	315.66
December 31, 2019	<u>Level I</u>	<u>Level II</u>	<u>Level III</u>	<u>Total</u>
Investments in equity shares	-	-	4.58	4.58
Derivative financial assets	-	278.39	-	278.39
	-	278.39	4.58	282.97
Derivative financial liabilities	-	98.19	-	98.19

Valuation Technique

Investment in mutual funds is measured at the redemption price declared by the mutual fund. Derivatives are measured basis the counterparty quotes obtained. Cost of investments in equity shares is considered to be representative of fair value.

26.3 Derivative financial instruments

The Group uses derivative financial instruments such as foreign exchange forward contracts to mitigate the risk of changes in foreign exchange rates on trade receivables and forecasted cash flows denominated in certain foreign currencies.

The Group had outstanding hedging instrument in the form of foreign currency forward contracts as at:

Currency hedged (Sell contracts)	In Million	
	June 30 2020	December 31 2019
USD	212.98	212.02
Euro	6.00	6.60
GBP	13.36	13.60

The weighted average forward rate for the hedges outstanding as at June 30, 2020 is Rs. 77.20, Rs. 89.71 and Rs. 100.32 (As at December 31, 2019 Rs. 74.85, Rs. 89.02 and Rs. 99.14) for USD, Euro and GBP, respectively. The hedges mature over the eight quarters.

The Group has also entered into Interest rate swap arrangement for the floating rate loan of notional USD 15 Million (Nil as on December 31, 2019)

The movement in accumulated other comprehensive income on account of derivatives designated as cash flow hedges is as under:

	For six months ended June 30, 2020	For six months ended June 30, 2019
Balance at the beginning of the period	226.05	(14.86)
Net gains transferred to statement of profit or loss on occurrence of forecasted hedge transaction	151.10	(52.00)
Changes in the fair value of the effective portion of outstanding cash flow hedges	(470.97)	456.71
Deferred tax	(8.36)	(79.78)
Balance at the end of the period	(102.18)	310.08

There were no material hedge ineffectiveness for the six months ended June 30, 2020, June 30, 2019 and year ended December 31, 2019.

Hexaware Technologies Limited

Notes to the Condensed Interim Consolidated Financial Statements (*Continued*)

as at 30 June 2020

29 Contingent liabilities

- a. Claims not acknowledged as debt amounts to Rs. 28.14 million (Rs. 28.14 million as on December 31, 2019), being a claim from landlord of a premise occupied by the Holding Company in an earlier year. The Holding Company is confident of successfully contesting the aforesaid matter and does not expect any outflow on this count.
- b. Claims for taxes on income where Holding Company is in appeal
Income tax demands of Rs. 9.59 million (Rs. 9.59 million as on December 31, 2019) have been raised in respect of assessments completed in earlier year, arising from certain disallowances by the Income tax authorities. The Holding Company has appealed against the orders and based on merit, expects favourable outcome. Accordingly, no provision against such demand is considered necessary.

The above does not include all other obligations resulting from customer claims, legal pronouncements having financial impact in respect of which the Company generally performs the assessment based on the external legal opinion and the amount of which cannot be reliably estimated.

- 30 The Company has a process whereby periodically all long term contracts (including derivative contracts) are assessed for material foreseeable losses. At the year end, the Company has reviewed and ensured that adequate provision as required under any law / accounting standards for material foreseeable losses on such long term contracts (including derivative contracts) has been made in the books of account.

31 COVID pandemic:

The Group has assessed the impact on the recoverability of the receivables (including unbilled) and other current and non-current assets including goodwill considering both internal and external information available till date. It has also assessed, the probability of occurrence of forecasted transactions in the hedging relations, credit risk of the counter party to the derivative contracts and banks. The Group, based on the analysis on assumption used, believes that the carrying value of these assets are recoverable. Considering the fact that the global situation is evolving day by day with new facts and numbers, the economic impact of pandemic could be different from the estimated till date by the management. The management is continuously monitoring the material changes.

32 Borrowings

The non current borrowing represents LIBOR based term loan from a bank repayable at the end of 3 years. The current borrowing represents LIBOR based working capital facility repayable on demand. Both the above borrowing are secured by way of charge on the current assets of Hexaware Technologies Inc.

33 Material events after Balance Sheet date

There is no significant event after reporting date which requires amendments or disclosure to these condensed interim consolidated financial statements except the matters mentioned below:

The Company had declared the final dividend of Rs. 2.50 per share for the year ended in December 31,2019 which was approved by the shareholders at the annual general meeting held on July 4,2020 and has been paid on July 7, 2020. Further, the Board of directors of the Company on June 23,2020 had also declared first interim dividend for the quarter ended March 31,2020 of Rs. 3.00 per share, the said dividend has been paid on July 7,2020.

The Board of Directors, at its meeting held on July 28, 2020 has declared interim dividend of Rs 1.50/- per equity share (75%). This would result in cash outflow of Rs. 448.32 Million.

34 Approval of the financial statements

The condensed interim consolidated financial statements were approved for issue by the Board of Directors on July 28, 2020.

The figures for the quarter ended June 30, 2020 are the balancing figures between the audited figures in respect of six months period ended June 30, 2020 and the unaudited figures (subjected to limited review) for the quarter ended March 31,2020 as reported by the Company.
