

Independent Auditors' Report

To the Board of Directors of Hexaware Technologies Limited

Report on the Audit of the Condensed Consolidated Interim Financial Statements

Opinion

We have audited the condensed consolidated interim financial statements of Hexaware Technologies Limited (hereinafter referred to as the 'Holding Company') and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group") and its associate, which comprise the condensed consolidated Balance Sheet as at 30 June 2019, and the condensed consolidated statement of Profit and Loss (including other comprehensive income) for the quarter and six months then ended, condensed consolidated statement of changes in equity and condensed consolidated statement of cash flows for the six months then ended, and notes to the condensed consolidated interim financial statements, including a summary of significant accounting policies (hereinafter referred to as "the condensed interim consolidated financial statements") and other explanatory information as required by Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting" and other accounting principles generally accepted in India.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid condensed consolidated interim financial statements give a true and fair view in conformity with Ind AS 34 and other accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at 30 June 2019, of consolidated profit and other comprehensive income for the quarter and six months then ended, consolidated changes in equity and its consolidated cash flows for the six months ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("Act"). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Condensed Consolidated Interim Financial Statements* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India, and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Hexaware Technologies Limited

Responsibilities of Management and Those Charged with Governance for the Condensed Consolidated Interim Financial Statements

The Holding Company's management and Board of Directors are responsible for the preparation and presentation of these condensed consolidated interim financial statements that give a true and fair view of the consolidated state of affairs, consolidated profit and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group including its associate in accordance with Ind AS 34 prescribed under section 133 of the Act and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the condensed consolidated interim financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the condensed consolidated interim financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the condensed consolidated interim financial statements, the respective management and Board of Directors of the companies included in the Group and of its associate, are responsible for assessing the ability of the Group and of its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate are responsible for overseeing the financial reporting process of the Group and of its associate.

Auditor's Responsibilities for the Audit of the Condensed Consolidated Interim Financial Statements

Our objectives are to obtain reasonable assurance about whether the condensed consolidated interim financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these condensed consolidated interim financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the condensed consolidated interim financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Auditor's Responsibilities for the Audit of the Condensed Consolidated Interim Financial Statements (*Continued*)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the Holding Company's internal financial control with reference to the condensed consolidated interim financial statements.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the condensed consolidated interim financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the condensed consolidated interim financial statements, including the disclosures, and whether the condensed consolidated interim financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group and its associate to express an opinion on the condensed consolidated interim financial statements, of which we are the independent auditors. We are responsible for the direction, supervision and performance of the audit of financial information of such entities. For the other entities included in the condensed consolidated interim financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in para 1 of the section titled 'Other Matters' in this audit report.

We communicate with those charged with governance of the Holding Company and such other entities included in the condensed consolidated interim financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Hexaware Technologies Limited

Other Matters

1. We did not audit the financial statements of 11 subsidiaries whose condensed interim financial statements reflect total assets of Rs. 4,227.54 million as at 30 June 2019, total revenues of Rs. 2,188.07 million for the quarter and Rs. 4,242.82 million for the six months ended 30 June 2019 and net cash outflows amounting to Rs. 986.47 million for the six months ended on that date, as considered in the condensed consolidated interim financial statements. These condensed interim financial statements have been audited by other auditors whose reports have been furnished to us by the Management, and our opinion on the condensed consolidated interim financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the report of other auditors.
2. The financial information of 6 subsidiaries, whose condensed interim financial information reflect total assets of Rs. 2,341.02 million as at 30 June 2019, total revenues of Rs. 306.92 million for the quarter and Rs. 306.92 million for the six months ended and net cash outflows amounting to Rs. 250.72 million for the six months ended on that date, as considered in the condensed interim consolidated financial statements, have not been audited either by us or by other auditors. The condensed interim consolidated financial statements also include the Group's share of net profit (including other comprehensive income) of Rs. 0.86 million for the quarter and Rs. 1.47 million for the six months ended 30 June 2019, as considered in the condensed interim consolidated financial statements, in respect of one associate, whose condensed interim consolidated financial information have not been audited by us or by other auditors. These unaudited financial information have been furnished to us by the Management and our opinion on the condensed consolidated interim financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associate is based solely on such unaudited financial information. In our opinion and according to the information and explanations given to us by the Management, these financial information are not material to the Group.

Our opinion on the condensed consolidated interim financial statements is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial information certified by the Management.

2 Significant accounting policies and statement of compliance

The condensed interim consolidated financial statements have been prepared in accordance with generally accepted accounting principles in India including Ind AS 34 Interim Financial Reporting and using the same accounting policies as followed in the audited financial statements for the year ended on December 31, 2018 except in relation to revenue recognition as discussed in note 3.1 below. These condensed interim consolidated financial statements do not include all of the information required in annual financial statements and should be read in conjunction with the Group's financial statements for the year ended December 31, 2018.

3.1 Revenue recognition

The company earns revenues from information technology consulting, software development and business process services.

Effective January 1, 2019, the Group has applied Ind AS 115 Revenue from contracts with customer which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised. Ind AS 115 replaces Ind AS 18 Revenue and Ind AS 11 Construction Contracts. The Group has adopted Ind AS 115 using the cumulative catch-up transition method. The effect of initially applying this standard is recognised at the date of initial application (i.e. January 1, 2019). The standard is applied retrospectively only to contracts that are not completed as at the date of initial application. The comparatives have not been retrospectively adjusted and it continues to be reported under Ind AS 18 and Ind AS 11. Refer note 2.7 – Significant accounting policies – Revenue recognition in the Annual report of the Company for the year ended December 31, 2018, for revenue recognition policy as per Ind AS 18 and Ind AS 11. The impact of adoption of the standard on the financial statements of the Group is not material.

Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Group expects to receive in exchange for those products or services.

In case of contract on time and material basis, transaction-based or volume-based contracts, revenue is recognised when the related services are performed.

In case of fixed price contracts, revenue is recognized using percentage of completion method. The Group uses the efforts expended to date as a proportion to the total efforts to be expended as a basis to measure the degree of completion. The cumulative impact of any revision in estimates of the percentage of work completed is reflected in the year in which the change becomes known. Provisions for estimated losses on such engagements are made during the year in which a loss becomes probable and can be reasonably estimated. Amount received or billed in advance of services performed are recorded as unearned revenue. Unbilled services represents revenue recognized based on services performed in advance of billing in accordance with contract terms.

Revenues related to fixed-price maintenance, testing and business process services are recognized based on our right to invoice for services performed for contracts in which the invoicing is representative of the value being delivered. If our invoicing is not consistent with value delivered, revenues are recognized as the service is performed using the percentage of completion method.

Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, service level credits, performance bonuses, price concessions and incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes collected from customers.

Contracts are subject to modification to account for changes in contract specification and requirements. The Group reviews modification to contract in conjunction with the original contract, basis which the transaction price could be allocated to a new performance obligation, or transaction price of an existing obligation could undergo a change. In the event transaction price is revised for existing obligation, a cumulative adjustment is accounted for.

3.2 Recent accounting pronouncements

Certain new standards, amendments to standards are not yet effective for annual periods beginning after January 1, 2019, and have not been applied in preparing these condensed interim consolidated financial statements. New standards, amendments to standards and interpretations that could have potential impact on the consolidated financial statements of the Group are:

a) Ind AS 116 – Leases

Ind AS 116 replaces the existing leases Standard, Ind AS 17 Leases, and related interpretations. The standard sets out the principles for the recognition, measurement, presentation and disclosure of leases. The standard introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. The Standard also contains enhanced disclosure requirements for lessees. The effective date for adoption of Ind AS 116 is annual periods beginning January 1, 2020.

The Group is currently assessing the impact of adopting Ind AS 116 on the Group's consolidated financial statements.

b) Ind AS 12 – Income taxes (amendments relating to income tax consequences of dividend and uncertainty over income tax treatments)

The amendment relating to income tax consequences of dividend clarify that an entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events.

The amendment to Appendix C of Ind AS 12 specifies that the amendment is to be applied to the determination of taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. It outlines the following: (1) the entity has to use judgement, to determine whether each tax treatment should be considered separately or whether some can be considered together. The decision should be based on the approach which provides better predictions of the resolution of the uncertainty (2) the entity is to assume that the taxation authority will have full knowledge of all relevant information while examining any amount (3) entity has to consider the probability of the relevant taxation authority accepting the tax treatment and the determination of taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates would depend upon the probability.

The amendments are effective from the annual periods beginning January 1, 2020. The Group is currently assessing the impact of adopting the amendments on its financial statements.

b Business combination

The Group on June 13, 2019 acquired 100% equity in Mobiquity Inc. and its subsidiaries (together referred to as Mobiquity).

The business combination was conducted by entering into Agreement and Plan of Merger to acquire equity interest in Mobiquity Inc. Further, Company entered into Share Transfer Agreement to acquire equity interest in Mobiquity Softech Private Limited, a subsidiary in India.

Mobiquity Inc. is headquartered in the US, and with a global presence across 3 continents, Mobiquity is a customer experience consulting firm that specializes in creating frictionless multi-channel digital experiences using cloud technologies.

The Company is expected to leverage Mobiquity's capability in customer experience transformation and cloudification. Further the Company is expected to benefit from Mobiquity's customer base in multiple vertical including Banking & Financial services and Healthcare & Insurance verticals.

Purchase price has been allocated on a provisional basis as set out below, to the assets acquired and liabilities assumed in the business combination.

Component	Rupees Million
Property plant and equipment	144.51
Cash and cash equivalents	374.27
Trade and other receivables	977.60
Other assets	161.66
Other liabilities	(635.55)
Intangible assets- Customer relationships	2,361.23
Intangible assets- Brand	154.72
Deferred tax liability	(679.31)
Fair value of net assets as on the date of acquisition	2,859.13
Purchase Consideration	12,555.19
Goodwill	9,696.06

Details of the purchase consideration is as below

	Rupees Million
Initial upfront cash consideration	9,222.41
Fair value of deferred consideration payable by January 09, 2020	2,070.60
Fair value of contingent consideration payable by October 8, 2020	1,262.18
Total Purchase consideration	12,555.19

The fair value of contingent consideration is determined by discounting the estimated amount payable to the sellers of Mobiquity on achievement of certain financial targets. The key inputs used in determination of the fair value of contingent consideration are the discount rate and the probabilities of achievement of the financial targets.

The Goodwill represents assembled workforce and expected synergies from the combined operations.

The intangible assets shall be amortized over 2-7 years as per managements estimate of its useful life, based on the life over which economic benefits are expected to be realized.

Had the acquisition occurred on January 1, 2019, management estimates that the group's consolidated revenue would have been INR 14,302.87 million, INR 28,411.05 million and profits would have been INR 1,552.15 million, INR 2,984.50 million respectively for the quarter and six months ended June 30, 2019. The proforma amounts are not necessarily indicative of results that would have been occurred if acquisition occurred on dates indicated or that may result in the future.

The transaction costs of Rs. 169.55 million has been included in the statement of profit and loss account and shown as an exceptional item.

Considering the aforesaid business combination, the financials for the period ended and as at June 30, 2019 are not comparable with that of the previous periods.

25.2 Fair value hierarchy

Fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability

The following table presents fair value hierarchy of financial assets and liabilities measured at fair value on a recurring basis:

27 Contingent liabilities

- a. Claims not acknowledged as debt amounts to Rs. 28.14 million (Rs. 28.14 million as on December 31, 2018), being a claim from landlord of a premise occupied by the Company in an earlier year. The Company is confident of successfully contesting the aforesaid matter and does not expect any outflow on this count.
- b. Claims for taxes on income where Company is in appeal
Income tax demands of Rs. 9.59 million (Rs. 9.59 million as on December 31, 2018) have been raised in respect of assessments completed in earlier year, arising from certain disallowances by the Income tax authorities. The Company has appealed against the orders and based on merit, expects favourable outcome. Accordingly, no provision against such demand is considered necessary.

The above does not include all other obligations resulting from customer claims, legal pronouncements having financial impact in respect of which the Company generally performs the assessment based on the external legal opinion and the amount of which cannot be reliably estimated.

28 Borrowings

The non current borrowing represents LIBOR based term loan from a bank repayable at the end of 3 years.

The current borrowing represents LIBOR based working capital facility repayable on demand.

Both the above borrowing are secured by way of charge on the current assets of Hexaware Technologies Inc.
