We have audited the quarterly consolidated financial results of Hexaware Technologies Limited ('the Company') and its subsidiaries (collectively referred to as 'the Group') and its associate for the quarter ended 31 March 2018, included in the accompanying "Consolidated Audited Financial Results for the Quarter Ended March 31, 2018" ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with relevant circulars issued by SEBI. These consolidated quarterly financial results have been prepared from the condensed interim consolidated financial statements, which are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial results based on our audit of such condensed interim consolidated financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard ('Ind AS') for Interim Financial Reporting ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder, as applicable and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.

These financial statements and other financial information have been audited by other auditors whose reports have been furnished to us, and our opinion on the quarterly financial results, to the extent they have been derived from such interim financial statements is based solely on the report of such other auditors.

The Statement also include the Group's share of net profit of Rs.1.05 million for the quarter ended 31 March 2018, as considered in the Statement, in respect of one associate whose financial information have not been audited by us. These financial information are unaudited and have been furnished to us by the Management and our opinion on the Statement, in so far as it relates to the amounts and disclosures included in respect of the associate, is based solely on such unaudited financial information. In our opinion and according to the information and explanations given to us by the Management, these financial information are not material to the Group.

Our opinion on the consolidated quarterly financial results is not modified with regards to our reliance on the work done and the reports of other auditors and interim financial information certified by the management.
