# INDEPENDENT AUDITORS' REPORT TO THE BOARD OF DIRECTORS OF HEXAWARE TECHNOLOGIES LTD

### **Report on the Condensed Interim Financial Statements**

We have audited the accompanying condensed financial statements of **HEXAWARE TECHNOLOGIES LTD** ("the Company"), which comprise the Condensed Balance Sheet as at March 31, 2013, the Condensed Statement of Profit and Loss and the Condensed Cash Flow Statement for the quarter ended March 31, 2013 and the selected Explanatory Notes.

### Management's Responsibility for the Condensed Financial Statements

The Company's Management is responsible for the preparation of these condensed financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with Accounting Standard 25 (Interim Financial Reporting), as notified by the Companies (Accounting Standards) Rules, 2006 ("AS 25") and other accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal controls relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these condensed financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the condensed financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the condensed financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the condensed financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers the internal controls relevant to the Company's preparation and fair presentation of the condensed financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the condensed financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid condensed financial statements give a true and fair view in conformity with AS 25 and the accounting principles generally accepted in India:

- (a) in the case of the Condensed Balance Sheet, of the state of affairs of the Company as at March 31, 2013;
- (b) in the case of the Condensed Statement of Profit and Loss, of the profit of the Company for the quarter ended on that date; and
- (c) in the case of the Condensed Cash Flow Statement, of the cash flows of the Company for the quarter ended on that date.
