Notes on segment information

Principal segments

Primary business segments have been identified taking into account the services offered to customers globally operating in different industry segments, differing risks and returns, the organisational structure and the internal reporting system.

Depreciation, Amortization and impairment is not allocated to any of the segments as the assets are allocated.

Segmental capital employed

Assets and liabilities contracted have not been identified to any of the reportable segments as the assets are used interchangeably between segments and it is not practicable to reasonably allocate the liabilities to individual segments. Accordingly no disclosure relating to segment assets, and segment liabilities are made.
